

*Wishing you a
safe and happy day at work!
From Featherlike Team*

"Fashion for Your Work Style"

Many believe that shoes are made to be stylish, others believe comfort is what matters the most. Our shoe master, Mr. Lorenzo Perez knows that the key to mastering the perfect safety shoe is to skillfully blend the functionality of the safety features with comfort and style. With that principle in mind, Mr. Perez has delivered his knowledge, passion and commitment to our safety footwear so women should not sacrifice comfort, style or safety at all.

From the initial design to the finished product, each Featherlike safety shoe is hand crafted using the best materials and the strictest quality control to make sure every customer get the best and most comfortable safety shoe in the market today.

Please take a moment to check out our latest Safety "Wider Steel toe", Green Patch, Electric Shock Resistant Collection.

Thanks Kindly,
Lorenzo Perez

A photograph of a person's legs from the knees down, wearing black leather boots. The person is standing on a concrete sidewalk in front of a red brick wall. The boots are knee-high with a slight heel and a small green patch on the side of the upper leg. The text "Feeling Sexy, but Safe!" is written in a black, cursive font over the right leg and the brick wall.
